

The National Park hiking tour in the Dolomites

An 7- day walking tour

Code tour: ITTRE01W

Experience breathtaking scenery: idyllic mountain lakes, lush pastures, green forests and of course the legendary rocky Dolomites. This tour will take you through three national parks: National Park d'Ampezzo, National Park Fanes-Senes-Braies, National Park of Dolomites of Sesto. Visiting these stunning places you will undoubtedly understand why the Dolomites are declared a Natural World Heritage Site of UNESCO. As a preamble to the hike, we will introduce you to the splendours of Sesto (Sexten), the valley of mountain climbers and mountain guides. Naturally, an excursion to the Tre Cime (Drei Zinnen) cannot be missed and the encompassing hike around the celebrated 'Trident' promises impressive views of the Sesto Dolomites. Those who believe that nothing more can top this experience can rest assured that high above Cortina, the pearl of the Dolomites, you can survey some of the most striking summits, all wrestling for attention: the 'Cristallo' peaks, the pinnacles of the massif Tofane and the summits of the Fanes can all be admired from here. Finally, you are greeted by Lake, lago di Braies (Pragser Wildsee), in whose

crystal clear waters the white walls of the mount Croda del Becco (Seekofel) are mirrored. Your overnight stays are in typical mountain villages, as Dobbiaco visited all year around. In the summer by hikers and in winter by skiers. Cortina d'ampezzo is surely the queen of the dolomites with its quality seal 'Best of the Alps', situated in a beautiful valley. It is also a tour in which you can taste the local cuisine, a blend of Italian and Tyrolean flavours. There are many good restaurants offering your delicacies as spätzle, goulash, polenta, canederli and speck to be combined with a good gewürztraminer.
